Experience

Video Editor (Contract), Riot Games April 2023 - Present
Los Angeles, CA
Edit features and packages for Riot's LCS and VCT broadcasts.

Producer/Videographer, Counter Logic Gaming February 2023 - April 2023
Los Angeles, CA
Lead content production for CLG's first-person shooter rosters including CS:GO, Valorant and Apex. Built out a content plan, executed on original video concepts, and maintained content team budget. Worked as director and camera operator on set. Along with managing a team of freelance editors.

Producer/Editor, 100 Thieves May 2022 - January 2023
Los Angeles, CA
Created documentaries, challenge videos and podcasts for the 100 Thieves Esports YouTube channels. Owned projects throughout all stages of production. Responsibilities including: writing treatments, camera operating, directing, editing and distribution. Developed and pitched new show ideas. Collaborated with producers and editors to ensure best YouTube and social media practices.

Video Editor, 100 Thieves July 2021 - April 2022
Los Angeles, CA
Creatively edit mini docs, behind the scenes, and challenge videos for the 100 Thieves Esports YouTube and social channels. Pull clips and complete research in pre-production for producers. Assist crew on set with all aspects of production.

Freelance Video Editor, Self-Employed

Marvel Entertainment June 2020 - July 2021
Edit short feature pieces for Marvel's YouTube and social media channels. Apply effects and motion graphics to videos. Operate TriCaster switcher for Marvel live streams and records.

Riot Games May 2021
Edit highlights and packages for Riot Game's VALORANT Masters 2 Reykjavik broadcast.

Mug Media, LLC January 2021- July 2021
Edit more than 25 videos for client's YouTube channels gaining over 18 million views and counting.

Assistant Editor/Videographer, GirlBand Creative June 2019 - January 2021
New York, NY
Produced, filmed and edited corporate videos. Edited cutdowns of TV spots, completed exports, conforms, and delivery in Avid from clients including NBC, Sony, and Netflix.
